(" All companions and Imams agree that any muslim leaves Islam to any other religion including turning to christian or jew , he must be killed , even if he is totally peaceful , with examples of (150) companions & Imams ")

__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings and companions sayings about him .

He also has , till the time of translating this book , over (200) other books about prophet Mohammed sayings in many topics . But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (155) , in the author's series books in arabic .

(الكامل في اتفاق الصحابة والأئمة علي حد الردة وأنه علي مجرد الخروج من
الإسلام بقول أو فعل مع ذكر (150) صحابي وإمام منهم وبيان سبب
إخفاء الجدد لكثير من آثار وإجماعات الصحابة والأئمة)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for every saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many Imams say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of Allah and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings and companions sayings about him . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In these days , you can hear a lot of questions to Shiokh that ask about sayings and opinions of companions and Imams about many things and rules in Islam in subjects that are considered as taboo or difficult matter for many people .

So , the Sheikh answers by sayings my opinions is , I see , I think , etc. So , you repeat the question , I do not ask about your opinion but I ask about opinion of prophet's companions and Imams , because we talk about matters that present from the time of prophet Mohammed himself .

So , he repeats the answer I see , I think , my opinion ! So you begin to suspect what's going on and why he insists on not mentioning any of companions and Imams sayings & opinions .

So , you make the question easier for him and say at least what is the opinion of the four most famous schools in Islam (Shafi'I , Maliki , Hanbali , Hanifi) . But the Sheikh say the same answer !

So , at this point , you know that there is a big reason for this and he does not want to tell you any of companions and Imams sayings . Because imagine that he says all companions and Imams agree that if a muslim leaves Islam , he must be killed even if he is totally peaceful .

Imagine after saying that , this Sheikh says but they all wrong and all companions & Imams do not know the right Islam and they allowed to kill people without real reason but I am the one who will teach you the right Islam !

Then you will say to yourself does this man have any knowledge about Islam ?! How can I ask him about any thing else while he does hide companions & Imams sayings and opinions !

And this is a very important rule that you can use at many situations and subjects . When you ask about things that were present from time of prophet and companions , ask about their sayings and opinions .

Ask about companions sayings . Ask about Imams sayings and opinions . And if they all agree on something , their opinion is the right Islam , not what some new talkers create as imaginary fiction version of Islam .

Allah said in Quran (Surat Al-Baqarah / 159) (Some people will know our verses and orders of Allah but they will hide that , Allah curse them)

Also in Surat Al-Baqarah (verse 174) (Some people will hide orders of Allah and do not tell them to people to make money , Allah will punish them in Hell and will not talk to them in the afterlife)

And Imam Al-Samarqandi tell in his book Tanbih Al-Ghafilin (1 / 245) about Anas Ibn Malik that prophet Mohammed said , Religious scientists are trusted on Islam except if they are close to rulers and governors . If they do that , you can not trust them .

And Imam Al-Dailami tell in his book Al-Musnad (Zahr Al-Firdaws / 1717) about Ibn Omar that prophet Mohammed said , There will be time that people will change Islam and do not act by Quran . They will be muslims only by names . Their religious scientists will be the worse of people .

And many other Quran verses and prophet's sayings that tell that some people intentionally hide their knowledge about Islam and hide the real Islam and tell people imaginary fiction version of Islam , in order to be liked by people and to make a lot of money and to be in high places closer to rulers and governors .

__ Imam Al-Daraqutni tell in his book Al-Sunan (3189) about Gabir Ibn Abd Allah that a woman called Omm Marwan left Islam . So , prophet Mohammed odered to kill her if she refuses to get back to Islam .

_ Imam Al-Daraqutni tell in his book Al-Sunan (3191) about Gabir Ibn Abd Allah that prophet Mohammed said , If a woman leaves Islam , she must be slaughtered .

_ Imam Al-Baihaqi tell in his book Al-Sunan al-Kubra (8 / 201) about Gabir Ibn Abd Allah that a woman left Islam , so prophet Mohammed ordered them to invite her to get back to Islam and ordered them to kill her if she refuses . But the woman refused to get back to Islam , so they killed her .

_ Imam Abu Nu'aim tell in his book Akhbar Asbahan (4678) about Abd Al-Rahman Ibn Thawban that prophet Mohammed said , Any one leaves Islam and turns to christian , he must be killed .

_ Imam Al-Nasa'i tell in his book Al-Sunan Al-Sughra (4064) about Ibn Abbas that prophet Mohammed said , Any muslim leaves Islam must be killed .

_ And in Kuwaiti encyclopedia of Fiqh by some doctors (22 / 190) (All Imams agree that if a muslim leaves Islam , he must be killed)

_ And a lot of Imams said that every Imam agree on this rule . From Imams who reported the agreements : Ibn Al-Munzir , Ibn Abd Al-Barr , Ibn Asbagh , Ibn Hubairah , Al-Kasani , Ibn Qudamah , Baha' Al-Din Al-Muqdisi , Al-Nawawi , Shams Al-Din Ibn Qudamah , Ibn Muflih , Al-Bahuti , Al-San'ani , Al-Ruhaibani , Al-Shawkani , Ibn Aabidin , and others , and their sayings will come in the book .

_ In the previous book number (51) (In arabic series) , I collected prophet Mohammed sayings about the terms and rules that he made on christians and jews .

_ And one of these rules was that if a muslim leaves Islam to any other religion , he must be killed . And he also said any muslim turns to christian , he must be killed .

_ And he said if a woman leaves Islam , she must be slaughtered .

_ And he said any muslim does not believe in even one verse of Quran , he must be killed . And many other sayings .

_ Then in book number (57) (In arabic series) , I proved that these sayings came from (40) routes or ways . (The meaning is that these sayings are very proven and reach the degree of Quran)

_ Then I preferred to make another book to collect sayings of companions and Imams about this rule to make it more & more proven and to display that all companions and Imams agree that if a muslim leaves Islam , he must be killed , even if he was totally peaceful .

And in this book I show sayings of hundred & fifty (150) companions and Imams all say that if muslim leaves Islam , he must be killed as a punishment of leaving Islam .

__ Some new talkers say that the killing is only made if a muslim leaves Islam to another religion and starts to invite people to his new religion :

_ Imam muslim Al-Naisaburi tell in his book Al-Sahih (10) about Abu Hurairah that prophet Mohammed said , The will be some people tell you some things agianst what companions said , do not believe or follow them because they will lead you to the wrong way .

_ As usual , some new talkers tell us things against what all companions & Imams said . So , they said that if muslim leaves Islam to another religion , he must not be killed except if he invites people to his new religion .

_ So , ask them where did you find this in prophet Mohammed sayings ? Why did not you follow his sayings that order to kill any muslim leaves Islam ? Why did not you follow his order to kill any muslim leaves Islam to be a christian or jew ?

_ Then ask them , Was prophet Mohammed weak in arabic language ? Could not he say if muslim invites people to another religion other than Islam , he must be killed ? Why he did not say that if this was really the right Islam ?

_ Then ask them , What about prophet's companion ? Why they said if muslim just leaves Islam , he must be killed ? Why they killed the muslims who left Islam ? Do you think that all prophet Mohammed companions do not know the right Islam ?

_ Then ask them , What about all Imams after the companions ? Why they all say that the killing here is mainly based on leaving Islam , not on any other thing or action ? Are all Imams do not know the right Islam ?

_ Then ask them , why all prophet's sayings and companions and Imams sayings all tell that if muslim leaves Islam and refuses to get back to Islam , he must be killed ? Why they did not say as example if he was not peaceful , he must be killed ?

_ Then ask them , Even if we say as an argument that the killing is made if a muslim leaves Islam and invite people to his new religion . So , What if all other religions act by this rule ? What if any one leaves his religion and enters Islam and invite people to Islam , he must be killed ? Why you are against this while it's the same rule .

_ Some said that in some prophet Mohammed sayings that when a muslim leave Islam and muslims' group or Ummah , he must be killed . So they said the muslim should be killed if he only leaves the muslim's Ummah !

And this is very weird saying , it's even stupid . Because if someone leaves Islam , of course he left muslim's group or Ummah . If someone left Islam to christianity , he became a christian . If someone leaves Islam to Jaudism , he became a jew .

Are those people say that if a muslim leaves Islam , he will still do the Salat & Zakat & Siam & Hajj & all other Islamic orders and rituals ! So , this last saying is like nothing and no sane one argue for it .

__ The difference between peaceful and non peaceful :

In some prophet's sayings , he ordered to cut some people's hands and legs and ordered to leave them in the desert till they died by hunger & thirsty . But those people left Islam & stole & killed some people .

So , some new talkers said that if someone leaves Islam , he must not be killed except if he is not peaceful like those previous people .

_ So , use the important golden rule , why all companions and Imams did not say that ? Why not even one of them say that ? Are you tell us that all of them do not know the right Islam that you knew ?!

_ Then ask them , where in this saying that if a muslim leaves Islam he must not be killed ? As example if someone committed fornication & stealing so he was killed as a punishment of fornication , does that mean that stealing is not a crime and do not require punishment !

_ If someone committed stealing & adultery & killing , so he was killed as punishment on killing , does this mean that stealing and adultery do not require punishment ?!

_ If someone committed stealing and does not do Salat , so he was killed as punishment on not doing Salat , does this mean that stealing alone does not require punishment ?!

_ If someone committed drinking wine/ alcohol then he committed stealing & killing , so he was killed as punishment of killing , does this mean that drinking wine does not require punishment ?!

_ Those people in the previous saying committed many things that require killing them as a punishment , but this does not mean that leaving Islam does not require punishment .

Their saying will be right only if they have even one saying or action that a muslim left Islam and he was totally peaceful and prophet Mohammed did not kill him . But they will never find even one saying or example for that . Because all prophet Mohammed sayings and actions tell that he was killing any muslim leaves Islam even if he was totally peaceful .

__ If woman leaves Islam :

Imams have different opinions about if a woman leaves Islam . Most Imams say that she must be killed . But some Imams of Hanifi school say that she must be put in prison and beaten hard beat till she gets back to Islam .

But this is wrong opinion because all prophet Mohammed sayings did not say any difference in this rule . All his sayings tell that if a muslim , man or woman , leaves Islam , he or she must be killed .

But although , even this opinion tell you that leaving Islam is not accepted at all , because even this opinion say that if woman leaves Islam , she must be put in prison and beat her till she gets back to Islam . Does this tell you that it's ok to leave Islam ?!

__ Some new talkers argue by some Quran verses :

Some new talkers say that some Quran verses tell that prophet Mohammed will not be able to force all people to enter Islam and only Allah can do that .

But those people can answer themselves by simple questions .

Ask them can prophet or any one prevent killing totally from earth ?

Can prophet or any one prevent unjust totally from earth ?

Can prophet or any one prevent fornication totally from earth ?

Can prophet or any one prevent stealing totally from earth ?

Can prophet or any one prevent raping totally from earth ?

So , ask them do not you agree that there will always be stealing , killing , unjust , fornication , and etc. on earth ? Do not you agree that there will always be some people who commit crimes ?

So , these verses does not talk about the punishment , but they tell that no one even prophet Mohammed himself can prevent all crimes totally from earth .

And these verses tell that prophet Mohammed himself can not force all people to enter Islam . They talk about his human ability not about the rule itself . And these verses tell that only Allah has the ability to make all people believers and muslims .

And Imam Al-Tabari tell in his book Al-Tafsir (15 / 212) that companion Ibn Abbas said that prophet Mohammed was always try hard to make all people believe in him and follow orders of Allah , so Allah sent these verses to him and told him that only Allah can do that .

__ That what made some people talk about this rule :

_ Some said assume that some countries ruled or legalized that if non-muslim leaves his religion and get into Islam , he must be killed . Are muslims will be satisfied with that ? Of course not . So why it's ok and satisfied when they kill who get out of Islam and enter any other religion .

_ Some muslims said that getting out of Islam is like betrayal and the betrayer must be killed . But others said that this is very wrong because states have (secrets) and uncover these secrets will weaken the state .

But the right example is changing citizenship or having many citizenships . Like egyptian is also american , or american is also has the canadian citizenship . And this is very accepted and has no problem .

Also if they assume that getting out of Islam is like betrayal , so all other religions will say and act by the same . And any one gets out of their religion and get into Islam , they will kill him because he is like betrayer . It's the same !

_ Some said assume that some countries legalized that any muslim invite people to get into Islam or say that Islam is better than all other religions , he must be killed . Are muslims will be satisfied and agreed with that ? Of course not . So why muslims do not accept it if it's made upon them , but they very accept it if they apply it on other people ?

_ Some said that some of these terms were present in some people or countries in some times . But others answered on that and said that there is a huge difference between people and God or religion .

When some people say or do something by themselves , you can not obey them and you can fight them . But on the other hand , when they tell you that some sayings and actions are ordered by God and if you not obey you will be in Hell forever , you must think thousands of times before you say no and it's not easy to say no in this case .

_ Finally , there might be more details or search in these situations . We must follow the peace find ways to bring peaceful relations between people because God is peace .
